## PATIENT RESPONSIBILITY FORM

### 1. INDIVIDUAL’S FINANCIAL RESPONSIBILITY

- I understand that I am financially responsible for my health insurance deductible, coinsurance or non-covered service.
- Co-payments are due at time of service.
- If my plan requires a referral, I must obtain it prior to my visit.
- In the event that my health plan determines a service to be “not payable”, I will be responsible for the complete charge and agree to pay the costs of all services provided.
- If I am uninsured, I agree to pay for the medical services rendered to me at time of service.
- For all payment plans I have set up, I agree to have my valid credit card information on file to make such payments according to the arranged plan and the policy (See page 2 and 3).

### 2. INSURANCE AUTHORIZATION FOR ASSIGNMENT OF BENEFITS

- I hereby authorize and direct payment of my medical benefits to **Lansing Cardiovascular Consultants, P.C. (the parent company of Patient Central)** on my behalf for any services furnished to me by the providers.

### 3. AUTHORIZATION TO RELEASE RECORDS

- I hereby authorize Lansing Cardiovascular Consultants, P.C. to release to my insurer, governmental agencies, or any other entity financially responsible for my medical care, all information, including diagnosis and the records of any treatment or examination rendered to me needed to substantiate payment for such medical services as well as information required for precertification, authorization or referral to other medical provider.

### 4. MEDICARE REQUEST FOR PAYMENT

- I request payment of authorized Medicare benefits on my behalf for any services furnished me by or in Lansing Cardiovascular Consultants, P.C. I authorize any holder of medical or other information about me to release to Medicare and its agents any information needed to determine these benefits or benefits for related services.

## **OUR POLICY**

### **Payment Policy**

- We require payment of all balances related to your services, including co-pays, deductibles, coinsurance, non-covered service fees, etc. at the time of your visit.
- Cash, personal checks, money orders, debit/credit cards, and HSA cards are accepted.

### **Payment Plans**

- A minimum of 30% must be paid upfront.
- Payment of the remainder of balance must be made within 30 days of the rendered service.
- A valid credit or debit card must be on file with us to ensure your payment.
- In the event of financial hardship, a modified payment plan can be arranged on a case-by-case basis after discussing with our financial counselor.

### **Billing Statement and Invoices**

- We submit claims to your insurance company on your behalf. We also send you an itemized billing statement listing each services and associated charges.
- Upon receipt of payments from your insurance carrier, any services, or portion of services not covered by your insurance plan will be billed to you. This includes unsatisfied deductible and any out-of-pocket expenses not covered by your carrier.
- Full payment is due within 15 days of receipt.
- Your account is considered past due 30 days from the date of the first statement.
- You will receive a maximum of 3 statements (Initial, Past Due, and Final Notice).
- If your account is over 90-day past due and you have not made a payment arrangement, your account may be turned over to a collection agency, including the fees charged by the agency for collection purposes.
- Failure to pay the remaining balances can result in the termination of your care from our practice.

## Hospital and Office Procedures

- Prior to the scheduling your procedures, our staff will contact your insurance companies to verify your coverage and to obtain authorization for the procedures.
- When possible, we will verify any coinsurance, unmet deductible amounts, and your unmet out-of-pocket limits. This information will be used to create an **Estimate of Patient Responsibility** based on your insurance benefits. If necessary, our financial counselor will contact you to discuss your financial requirements.
- These are only **Estimates** and can change depending on changes in coverage, unmet deductibles, or if additional procedures need to be performed based on medical necessity.
- Should your payment exceed the cost of service, a refund will be issued to you upon final review and closure of your claim.
- Please note that the authorization received by us from your insurance carrier is NOT a guarantee of payment. **Note: it is your responsibility to understand your coverage and to verify what your insurance plan will pay and if our organization is in the network of your plan. We cannot guarantee that your insurance carrier will pay all or even part of your claim. Please be aware that the balance of your claim is your responsibility. We strongly advise that you work with us during the process of directly speaking with your insurance plan administrator to fully understand all limitations and obligations under your contracted coverage.**
